1. Aims

Our school aims to meet its obligations with regards to school attendance by:

Promoting good attendance and reducing absence, including persistent absence

Ensuring every pupil has access to full-time education to which they are entitled

Acting early to address patterns of absence

We will also support parents to perform their legal duty to ensure their children of compulsory school age attend regularly, and will promote and support punctuality in attending lessons. The school's view of 'regularly' means students should aim for an attendance target of 98% or more.

2. Legislation and guidance

This policy meets the requirements of the [school attendance guidance](#) from the Department for Education (DfE), and refers to the DfE's statutory guidance on [school attendance parental responsibility measures](#). These documents are drawn from the following legislation setting out the legal powers and duties that govern school attendance:

- [The Education Act 1996](#)
- [The Education Act 2002](#)
- [The Education and Inspections Act 2006](#)
- [The Education \(Pupil Registration\) \(England\) Regulations 2006](#)
- [The Education \(Pupil Registration\) \(England\) \(Amendment\) Regulations 2010](#)
- [The Education \(Pupil Registration\) \(England\) \(Amendment\) Regulations 2011](#)
- [The Education \(Pupil Registration\) \(England\) \(Amendment\) Regulations 2013](#)
- [The Education \(Pupil Registration\) \(England\) \(Amendment\) Regulations 2016](#)
- [The Education \(Penalty Notices\) \(England\) \(Amendment\) Regulations 2013](#)

This policy also refers to the DfE's guidance on the [school census](#), which explains the persistent absence threshold.

3. School procedures

3.1 Attendance register

By law, all schools (except those where all pupils are boarders) are required to keep an attendance register, and all pupils must be placed on this register.

The attendance register will be taken at the start of the first session of each school day and once during the second session. It will mark whether every pupil is:

Present

Attending an approved off-site educational activity

Absent

Unable to attend due to exceptional circumstances

Any amendment to the attendance register will include:

The original entry

The amended entry

The reason for the amendment

The date on which the amendment was made

The name and position of the person who made the amendment

See appendix 1 for the DfE attendance codes.

Every entry in the attendance register will be preserved for 3 years after the date on which the entry was made.

Pupils must arrive in school by 8.30am on each school day.

The register for the first session will be taken at 9.00 and will be kept open until 9.30. The register for the second session will be taken at 12.05 and will be kept open until 12.35pm for Secondary pupils and will be taken at 1pm and kept open until 1.30pm for Primary pupils.

3.2 Unplanned absence

Parents must notify the school on the first day of an unplanned absence – for example, if their child is unable to attend due to ill health – by 9am or as soon as practically possible (see also section 6). To do this, parents should call the school office and either speak to a member of staff or leave a message. Parents can also email the school.

Absence due to illness will be authorised unless the school has a genuine concern about the authenticity of the illness.

If the authenticity of the illness is in doubt, the school may ask parents to provide medical evidence, such as a doctor's note, prescription, appointment card or other appropriate form of evidence. We will not ask for medical evidence unnecessarily.

If the school is not satisfied about the authenticity of the illness, the absence will be recorded as unauthorised and parents will be notified of this in advance.

Teachers should also receive written communication in the form of a letter or slip from the homework diary.

3.3 Medical or dental appointments

Missing registration for a medical or dental appointment is counted as an authorised absence; advance notice is required for authorising these absences.

However, we encourage parents to make medical and dental appointments out of school hours where possible. Where this is not possible, the pupil should be out of school for the minimum amount of time necessary.

Parents should send the appointment card with the student in advance or phone or email the school.

Applications for other types of absence in term time must also be made in advance. Information relating to whether the school can authorise such absences can be found in section 4.

3.4 Lateness and punctuality

A pupil who arrives late but before the register has closed will be marked as late, using the appropriate code.

A pupil who arrives after the register has closed will be marked as absent, using the appropriate code.

Form tutors should be aware of which students travel by school coach and those that travel using public/own transport. If a school coach is late arriving to school due to a breakdown or unexpected circumstances, a Late code must not be given.

3.5 Following up absence

The school will follow up any absences to ascertain the reason, ensure proper safeguarding action is taken where necessary, identify whether the absence is approved or not and identify the correct attendance code to use.

Form tutors should receive a letter or homework diary slip the next day or the first day back.

3.6 Reporting to parents

Parents will be informed of their child's attendance and punctuality rate as percentages in their End of Year Report.

4. Authorised and unauthorised absence

4.1 Granting approval for term-time absence

Headteachers may not grant any leave of absence to pupils during term time unless they consider there to be 'exceptional circumstances'.

We define 'exceptional circumstances' as those that usually involve an emergency, or unforeseen circumstances.

The school considers each application for term-time absence individually, taking into account the specific facts, circumstances and relevant context behind the request. A leave of absence is granted entirely at the headteacher's discretion.

Valid reasons for **authorised absence** include:

Illness and medical/dental appointments – as explained in sections 3.2 and 3.3

Religious observance – where the day is exclusively set apart for religious observance by the religious body to which the pupil's parents belong. If necessary, the school will seek advice from the parents' religious body to confirm whether the day is set apart

Traveller pupils travelling for occupational purposes – this covers Roma, English and Welsh Gypsies, Irish and Scottish Travellers, Showmen (fairground people) and Circus people, Bargees (occupational boat dwellers) and New Travellers. Absence may be authorised only when a Traveller family is known to be travelling for occupational purposes and has agreed this with the school but it is not known whether the pupil is attending educational provision

Severe weather conditions leading to school coaches being unable to run and parents being unable to drop kids to school

Work experience or other sporting activity where student is training towards a professional level

A sudden death in the family and also resulting in travel to another country to observe religious prayers, as a result

Delay to return journey due to airline or circumstances beyond parent's control, in which case parents should provide proof

Study leave for Year 11 parents and beginning of September for 11+ Entrance exams

Unauthorised absences such as term-time holiday will not be approved unless authorized by Headteacher.

The school will identify pupils who have unauthorized absences through form tutors and the data drawn from the office system, and hold a parents' meeting with the Headteacher or Deputy Headteacher. Form tutors will also be monitoring closely. Any unauthorized absences will require the student staying after school until he/she has caught up with the school work missed.

4.2 Legal sanctions

Schools can fine parents for the unauthorised absence of their child from school, where the child is of compulsory school age.

If issued with a penalty notice, parents must pay £60 within 21 days or £120 within 28 days. The payment must be made directly to the local authority.

The decision on whether or not to issue a penalty notice ultimately rests with the headteacher, following the local authority's code of conduct for issuing penalty notices. This may take into account:

A number of unauthorised absences occurring within a rolling academic year

One-off instances of irregular attendance, such as holidays taken in term time without permission

Where an excluded pupil is found in a public place during school hours without a justifiable reason

If the payment has not been made after 28 days, the local authority can decide whether to prosecute the parent or withdraw the notice.

5. Strategies for promoting attendance

The school promotes good attendance with certificates for students who meet the school's target at the end of the year. The school will also ensure early communication is made with parents about issues and acknowledge positive improvements made by students and report to parents. This will be done by the Heads of school or Karen Gill.

6. Attendance monitoring

The attendance officer monitors pupil absence on a monthly basis.

Parents are expected to call the school in the morning if their child is going to be absent due to ill health (see section 3.2).

Parents are expected to call each day their child is sick and will not be attending school.

If a pupil's absence goes above 3 days we will contact the parents to discuss the reasons for this.

If after contacting parents a pupil's absence continues to rise, we will consider involving an education welfare officer.

The persistent absence threshold is 10%. If a pupil's individual overall absence rate is greater than or equal to 10%, the pupil will be classified as a persistent absentee.

Pupil-level absence data is collected each term and published at national and local authority level through the DfE's school absence national statistics releases. The underlying school-level absence data is published alongside the national statistics. We compare our attendance data to the national average, and share this with trustees.

The administration team will input the data for attendance onto the Excel spreadsheet filling in the necessary code on their system after finding out reason for absences. The office will call parents and emergency contacts to obtain information of absences on the very day of absence, if parent/carer has failed to notify. Monthly data will be analysed to track attendance and monitor and evaluate any children needing intervention or support. Monthly printouts will be stored in the relevant folder and stored.

7. Roles and responsibilities

7.1 The Trustees

The trustees are responsible for monitoring attendance figures for the whole school on at least a termly basis. It also holds the headteacher to account for the implementation of this policy.

7.2 The headteacher

The headteacher is responsible for ensuring this policy is implemented consistently across the school, and for monitoring school-level absence data and reporting it to trustees.

The headteacher also supports other staff in monitoring the attendance of individual pupils and issues fixed-penalty notices, where necessary.

7.3 The attendance officer

The attendance officer:

Monitors attendance data at the school and individual pupil level

Reports concerns about attendance to the headteacher

Works with education welfare officers to tackle persistent absence

Arranges calls and meetings with parents to discuss attendance issues

Advises the headteacher when to issue fixed-penalty notices

7.4 Form Tutors

Form tutors are responsible for recording attendance on a daily basis, using the correct codes, and submitting this information to the school office. Form tutors must obtain in writing and store in their registers reason for absence.

7.5 Office staff

Office staff are expected to take calls from parents about absence and record it on the school system. They must also call parents daily if the parent has not called to report absence.

8. Monitoring arrangements

This policy will be reviewed in April 2020 by the **Attendance Officer**. At every review, the policy will be shared with the trustees.

9. Links with other policies
