INFORMATION FOR PUPILS

What can I do if I am worried?

Sometimes people treat us in a way that makes us feel scared or hurt.

It is important that we tell an adult when we are scared or hurt.

Some things that may make us frightened:

- When someone (including adults) hits, kicks or pushes you or someone else.
- When someone touches your body in a way you don't want them to or ask you to touch yourself. This could be touching your private parts or making you do things you don't like.
- When someone says unkind things to you, bullies or threatens you or someone you care about.
- When the people who are supposed to care for you do not look after you. Maybe they aren't giving you enough food or enough sleep, or aren't keeping you warm and clean or don't take you to the doctor if you need to go.

Some of the people who might make me worried:

- Someone where I live
- A friend or neighbour
- Someone at school
- A person in my family
- A stranger

Where can things go wrong for me?

It could happen...

- In the street

- At home

- At a friend's house

- At school

- Somewhere you spend your free time

- Online on a computer or phone

In school there are adults who can help you if someone or something is worrying you.

They are the school safeguarding team:

Mrs Dodwal

Mrs Sahota
